百合のち鴨川、時々ジャージ。

Excuse me.
Yes, I'll be there in a moment!

Oh, do you have a boyfriend?
um...
One Sangayaki Burger, a coffee...
.....
Okay!
Ah!
Can you handle that table over there next, Lan?
Lan.

When are you going to confess to Madoka?
You're a bad liar, Lan.
Wha-
What are you talking about?
Trying her best to stay calm.
What do you mean? There's no way I'd do something like that...
Really?
Maybe I should confess
What!?

I do love my brother,
but I love Madoka just as much.
Don't you like Villagulio?
Of course.
ガー
Having a Jersey Club threesome wouldn't be bad either.
Are you fine with things staying like this?
But I do love Madoka.
I'm kidding, Lan!
...

You know how slow Madoka is...
I love you too!
You're right...

If you want to change, you have to do something, you know?
uh...

But I love you too, okay?
RUB RUB
I know already...

We're done with today's testing.
You three can go home.
phew
Good work, Madoka.
Lan!
Where's Muginami?
She's gone ahead to the bridge.
Oh, okay.
I think the president was calling you earlier too...
ahaha...

Madoka.
I have to do something if I want to change.
That's right.
Opening the Rin-ne
xxx the xxx
xxx's xxx xxxx it,
It's because I opened up the Rin-ne back then...
counter-measures...
I-I see...
Eh!?
could you be talking about-
I didn't mean it in a perverted way!
If you're fine with me,
um...
I'll help you practice so your heart won't be shaken...
How about... a kiss?

Whoaaa!? What am I saying-
And it'll be good training,
I think...
We've done it before.
I see! You're so smart, Lan!
Madoka ...
your offer, then...
I-I'll take

Yeah...
It's for practice...
There's nothing wrong with this.
This is...for practice.
It's okay.
Her tongue ...

Right now,
with Madoka,
Hm? This feeling...
Lan...
I can keep going...
Madoka...
Ah...
Hey, Kyouno! Laffinty!
AHHH

Commander's calling us...
Yeah.
That's right...
Let's go...
.....
Wait,
um,

Can we do this again next time?
Practicing.
My heart's still pounding and I'm still worried, so...

I don't mind
Okay.

if we stay this way.

If no one disturbed us, maybe we would've...

My, you sure are fired up.
Asteria!
I can't let my heart be shaken by something like that anymore!
Agreed.
It's great that you've come up with such an amusing training method,
grin
but keep it in moderation, okay?
Even between girls, you have to be careful.
If you have to, do it right.
We...
We haven't done anything yet!!!
Pharos is the same as ever.
What is this about, Kyouno!?
END

Hello there! My name's Mizuki
This is my third book, and it's about LagRin (Rinne no Lagrange)
I was planning to make a book showing how cute Kyouno was,
and then I realized huh? Isn't this a Lan book?
What's more, since I changed the story at the last minute,
there weren't any jerseys, even though they were in the title!
This is all season two's fault!
Originally the story wasn't going to have them kiss
Why, you ask? I will say no further
For now, have a jersey-clad Kyouno and I'll change the subject

So my guest Miyama-san's drawn an extremely
adorable Jersey Club! Hurray! Jersey uniforms are great, right?

I still have a lot of things on my mind, but thank you
for reading to the end!
It'd be great if I could put something out
when season two ends, but I'm not sure
It'd be great if we could meet again Bye!
Mizuki

Maru!
